## Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

I want to be a part of the NUS Students' Computing Club Management Committee as I believe in contributing what I've learned back to the club by transferring relevant skills and knowledge which are essential in executing events/projects effectively. After joining FOP projects such as FSC and RAG as a freshman, it gave me a fulfilling pre-university experience and makes me wanting for more. This inspires me to look forward in developing interpersonal skills and being a key communicator in the organizing committee as we progress towards upcoming school activities.
