## Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

I would like to run for the position of the Director of Freshmen Orientation Projects. I participated in all the freshmen orientation projects and was a part of the organising committee for some and I felt the great sense of satisfaction knowing that I played a role in helping the freshmen integrate into SoC. Hence, I wanted to take it a step further and take charge of all the freshmen orientation projects and guide the new batch of FOP committee.
