Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

After participating in FSC and FOW, I came to appreciate the efforts put in by the computing club management. The camps motivated me to get involved in creating a meaningful experience for the school of computing. As part of the management committee I'm eager to contribute, dedicating part of my time to the progress and maintenance of the IT infrastructure as a form of giving back. Furthermore, this role can enrich my learning experience while providing opportunities for me to interact and widen my social circle.
