Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

School of Computing (SOC) is a second home to me since I stepped into SOC as a freshmen last year. I believe that being a part of the NUS Students' Computing Club Management Committee will put me in the position to make significant changes to SOC. I want to extend that sense of belonging to more computing students and make SOC a much more bonded community than before. In addition, I wish to improve the NUS School of Computing's brand and influence in the external society
