Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

Having served as the deputy of Academic Liaison the previous year, I feel that I am now better equipped to handle the management of events of Computing Club. As privileged individuals, I feel that it is partly our duty and responsibility to give back to the community whenever we can.

On a personal note, I feel that another year in the Computing Club Management Committee will help me grow as a leader and will be better able to manage people and events.
