Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

I have been actively involved in leadership roles since my polytechnic days. Being an orientation group leader for 2 years in polytechnic, I continued taking up the role as an orientation group leader in university as well as stepping up to become a house head for freshmen orientation. Being very involved in Computing during the summer made me realise how much I enjoy being here and would definitely like to give my best and contribute back to Computing in ways that I can.
